

September 12th and 13th, 2025 Parking, Launching, Moorage and Fish Care Station

<https://jplandscape.com/>

Thank you JP Landscape for this incredible donation!

Friday Night Moorage: The Port has designated South Guest Dock 1, South Guest Dock 2 (ADA Accessible), Central Guest Dock 3, Central Guest Dock 5 (with activity barge), North Guest Dock 7, North Guest Dock 8 and the Haul Out Service Area (ADA) for Salmon for Soldiers use. Rafting is permitted. The Activity Barge on Guest Dock 5 (including BBQ's) will be available for use on Friday night. Please share the space accordingly and call the Marina Office at (425) 259-6001 to coordinate. Salmon for Soldiers will be paying for your guest moorage on Friday, September 13th, 2024. You will be responsible for any additional guest moorage nights.

Launch and Parking Fees: The Port of Everett's parking management company, LAZ Parking, will be monitoring all lots during the event weekend. Please note, Salmon for Soldiers is paying for your boat launch and parking fees on Friday, September 12th, 2025 and Saturday, September 13th, 2025 in the following areas shown on the map. Personal vehicles need to be parked in the grassy area by the "Equator" display boat. Truck and trailer parking is only in the paved area near the boat launch.

Note: The gravel parking lot area in front of Waterfront Center is for restaurant and public access only, no truck and trailer parking. The only truck and trailer parking is by the boat launch along 10th street. The Salmon for Soldiers event will take place at Harbor Marine.

There will be no Weigh-in Station. We will be hosting a Fish Care station at the Haul-out area near Fishermen's Memorial Plaza where ice and bags will be provided. There will also be a fish hanging board where photos can be taken. We are doing this to distance ourselves from any type of derby. Each participant is eligible for a mystery prize through random drawings.
